Dear Parent/Guardian

May half term holiday revision / coursework sessions

The Year 11 summer examination season started in earnest this week. The next five weeks will have a massive impact on the future lives of our students, your children; it is a time of great opportunity and excitement but also a time that requires hard work and dedication.

In order to support your child in this process, we are providing additional revision classes during the May half term holiday. A timetable of revision / coursework sessions is detailed below. **It is really important that you encourage your child to attend these sessions** so that they can maximise their chance of success during the summer examinations. Uniform is not required.

It is essential that you make sure your child uses the next five weeks to revise at home independently so they are fully prepared for their final examinations.
